Plug	110V 16A plug and coupler to EN 60309
Material	Polycarbonate body and diffuser
Input Voltage	110-277V
Colour Temp	6000K
Ambient Temp	-20°C — +40°C
Dimensions	663x115x75mm
Net Weight	1.6 Kg

Safety Information

- **DO NOT** pull or carry the work light by the power cable.
- **DO NOT** pull the plug from the socket by the cable.
- **DO NOT** use worn or damaged cables, plugs or connectors.
- The work light is supplied with a yellow CEE plug suitable for connection to a 110V power supply.
- Ensure the power supply and plug are connected in a suitable location.
- If the power supply and plug are connected outdoors, the work light must be connected to an IP44 (minimum) rated power socket.
- If using the stand with the work light ensure it is used on a flat surface.
- Ensure the cable does not cause a trip or fall hazard.
- Do not clean the work light with solvents. Use a mild soap solution if necessary and thoroughly dry before use with a soft, clean, dry cloth.
- The work light is not suitable for submersion or cleaning by pressure sprays.
- Store in a clean dry area.
